Exciting News: Town Grant Secured for Our Climate Action Initiatives!

We are excited to share we were successful in receiving \$20,500 from the Council Community Grant. This money will be used to build community engagement for regional climate action, help implement the town's community climate action plan (and other town plans), initiate our Greening Home Energy Program, act as an advisor to the town on climate policy and funding, and more.

Cohort Opportunity

Green Economy Canada Pilot Project

CCAT and other stakeholders in Southern Georgian Bay have teamed up with the national non-profit [Green Economy Canada](#) to offer a unique opportunity for businesses and organizations in the region to advance their greening efforts.
