Great News from Collingwood Council!

We're excited to share that last Monday, Collingwood Council voted **unanimously** in favour of Councillor Jeffery's motion for the Town to proceed with an application for **CEF (Community Efficiency Financing) funding for Phase 1!**

This is a huge step forward, and we couldn't have done it without the incredible support of several councillors who advocated for the motion, and our climate specialist, **Nicole Yardy**, whose expertise played a key role in this successful outcome.

Thank you to our board member, Jamey Hubbs, for presenting our deputation, Jim Ransom for preparing information for the motion and answering questions, our Director of Programs, Bryan Vermander, and the CCAT Greening Home Energy Committee for their tireless work in helping move this important initiative forward!

To learn more about CEF visit [here](#).

Thursday, October 10th

Climate Café

Have you joined one of our Climate Cafés? They offer a unique, can't-miss experience. Attendees have described them as 'well-facilitated' and offering a 'refreshing perspective on our own experiences.'

Bay to Bottle: Protecting Georgian Bay from Microplastics

Join Georgian Bay Spirit Co and Georgian Bay Forever to combat microplastic pollution in our waters. Bring your own water sample and examine it under a microscope to see microplastics firsthand. Learn how they impact daily life and discover ways to protect Georgian Bay for a cleaner, plastic-free future!

Visit our table at this event to learn about how plastic and climate pollution intersect.

When: Thursday, October 17, 2024 from 6pm-8pm

Where: Georgian Bay Spirit Co Distillery at 395 Raglan Street, Unit 2-D,
Collingwood
