Gratitude for our Dedicated Volunteers!

A big thank you to our amazing volunteers **Peter, Connie, Karen, and Bianca** for dedicating their Saturdays with us at our farmers' market booth on June 1st and 15th. Their help was essential in running our booth and raising awareness in our community.

Support for Sixth Street Design

Take Action Now

CCAT is standing by the proposed redesign of Sixth Street, which, despite necessitating the removal of 36 trees, offers substantial long-term benefits for our community's sustainability and resilience. Mayor Hamlin will be putting forward a motion regarding this project at the upcoming council meeting on July 8th.

We firmly support the chosen design due to its comprehensive approach to environmental planning and active transportation. We encourage all residents who support this vision to express their support by sending a letter to members of the council.
