**Make Your \$200 Go Further: An Impact Opportunity**

This February, all Ontarians will receive a \$200 cheque from the Provincial Government. While \$200 may not go a long way for one person or family, imagine the collective impact if we pool our resources. If it feels possible, we encourage you to donate this \$200—or any portion of it—to a cause that matters to you.

Some of our supporters have shared that they plan to donate their \$200 to CCAT, recognizing the **urgent need for local climate action** at a time when key climate policies at the federal and provincial levels face potential rollbacks.

Share your story at [200dollars.ca](https://200dollars.ca) to help highlight the incredible impact our community can achieve when we come together. Let's turn individual contributions into meaningful action!

***Individually we'll have \$200. Together we'll have 3 Billion.***
