Help shape the creation of our Community Climate Action Plan!

This engagement will be an important aspect in the creation of the plan to ensure strategies are successfully implemented and reflect resident priorities and interests.

The Town is currently recruiting for **two** unique opportunities:

- **Focus Area Working Groups:** Professionals or specialists who possess both field expertise and contextual knowledge relevant to climate action in 5 different sectors.
- **Climate Action People's Panel:** Community members who are interested in playing a crucial role in shaping the strategy that reflects the values and priorities of our community.

Forms are open until March 16, 2025.
